Utilizing space is essential in many locations and the wrg<sup>®</sup> Apollo<sup>™</sup> ATM can make the most of it! The Apollo<sup>™</sup> ATM delivers industry leading ATM capabilities in a conveniently smaller model. It accommodates standard paper rolls and a 1,000-note cash dispenser in an ATM the size of a computer tower.

The new wrg<sup>®</sup> CPU has advanced security features, including a large backlit monochrome LCD and recessed keypad to deter visual observation of PIN entry. It is PCI and 3DES compliant to secure your valued investment.

With the through-the-wall, pedestal, and counter-top options, the Apollo<sup>™</sup> ATM maximizes your space and profitability.
